Cayman Islands Red Cross

Corporate Partnerships

Corporate sponsorships are vital to the Cayman Islands Red Cross, enabling us to continue our humanitarian efforts and expand our impact within the community. These partnerships provide crucial funding for our disaster response, first aid training, community outreach, and other life-changing programs. With the support of corporate sponsors, we can strengthen resilience, provide aid to those in need, and drive meaningful change across the Cayman Islands. Your sponsorship is more than a contribution—it's a commitment to making a lasting difference.

First Aid Coverage for Community Events

The Cayman Islands Red Cross offers vital first aid coverage at community events like walk-a-thons, marathons, swim meets, sports days, and parades. Our skilled volunteers provide immediate medical care until EMTs arrive, enhancing safety for participants and spectators alike.

As a sponsor, your logo will be prominently displayed on volunteer shirts, first aid kits, and any event signage, showcasing your commitment to community health and safety. This partnership aligns your brand with trusted emergency services and demonstrates a proactive commitment to the well-being of the Cayman Islands.

First Aid Training for High Schoolers

Help build a safer future by sponsoring first aid training for high school students in the Cayman Islands. Our goal is to certify 100–200 students over two years, empowering them with life-saving skills that benefit the entire community. Your sponsorship will cover training materials, instructor fees, and certification costs, with your logo displayed on all training materials, certificates, and event banners. As a sponsor, you'll be recognized as an advocate for youth development and community safety.

First Aid Training for Teachers

Sponsor essential first aid training for 50 Cayman Islands teachers, equipping them with the skills to respond swiftly in classroom emergencies. With your support, we can create safer schools and offer parents peace of mind. Your logo will appear on training manuals, certificates, and Red Cross promotional materials, demonstrating your company's dedication to education and community safety. This sponsorship enhances your brand's visibility within the education sector and highlights your commitment to protecting our youth.

Annual Pledge

Make a lasting difference by becoming an annual sponsor of the Cayman Islands Red Cross. Your ongoing pledge will sustain a variety of essential programs, including disaster response, senior support, first aid training, and volunteer management. Annual sponsors receive prominent placement of their logo on all Red Cross materials social media, and website content, underscoring your enduring commitment to community safety and resilience. This partnership positions your organization as a trusted ally in humanitarian efforts across the Cayman Islands.

Referral Program

The Cayman Islands Red Cross referral program connects individuals and families with essential resources through both partner agency referrals and self-referral assessments. This program helps people access items from our shop or links them to agencies for additional support. Your sponsorship will cover processing costs, ensuring more people can get the help they need quickly. In appreciation, your logo will be featured on referral program materials, our website, and in communication with referral partners, showcasing your commitment to helping those most in need.

Support Our Seniors

Sponsor the “Support Our Seniors” initiative to help the Cayman Islands Red Cross provide vital support to elderly residents. Your contribution will fund transportation and fuel for deliveries, as well as cover costs for engaging activities designed to enrich seniors' lives. In return, your logo will be featured on volunteer t-shirts, and promotional materials, highlighting your support for Cayman’s elderly. This visibility will reinforce your organization’s dedication to the community and its most vulnerable members.

Disaster Management

Support the Cayman Islands Red Cross in building a stronger, more resilient community by sponsoring our Disaster Management Program. Your sponsorship will directly fund vital preparedness initiatives, emergency response efforts, and community training programs that equip individuals with the skills and resources needed to respond effectively to crises. In recognition of your generous support, your company will receive prominent branding opportunities, including logo placement on disaster response materials, social media and website recognition, and the chance to showcase your commitment to community resilience at CIRC events. Together, we can ensure that the Cayman Islands are ready to face any disaster with strength and preparedness.

Volunteer Appreciation

The Cayman Islands Red Cross invites you to sponsor The Henris, our annual Volunteer Recognition Ceremony celebrating the dedication of our incredible volunteers. Established in 2005 after Hurricane Ivan, this event honors those who serve in disaster response, first aid, child protection, and more. Attended by volunteers, CIRC staff, and dignitaries, it features awards, a dinner, and the prestigious Volunteer of the Year award, which can be named after your company. Sponsors receive brand recognition, media exposure, and networking opportunities. Partner with us to support community resilience and celebrate volunteerism.
